

Technical data sheet Version 1

Decorative lacquer with UV-protection TU 20.30.11-003-49630959-04

Purpose Designed for UV protection, decoration and creative work on different types of surfaces: wood, plywood, cardboard, plaster, brick, stone, gypsum and others.

Properties Provides protection against UV radiation. Forms a wear-resistant coating with water-repellent properties.

Decorative lacquer with UV-protection "Palizh" (0,2 kg), glossy
Decorative lacquer with UV-protection "Palizh" (0,2 kg)

Composition Water;
Styrene-acrylic latex;
UV stabilizers;
Special additives

Packaging Plastic containers weighing 0.2 kg

Technical Specifications

Film appearance after drying	Composition of white color
Conditional viscosity according to the viscometer VZ-246, with a nozzle diameter of 4 mm, sec, not less	70-200
Mass fraction of non-volatile substances, %, min	25
Frost resistance, cycles	5
pH	6,5-9,5
Temperature of application, °C, not less	+5
Drying time up to degree 3 at a temperature of (20±2) °C, hour, not more	1
Total drying time, hour	24
Consumption (for one coat)	70-100 g/m ²

Storage conditions Store in a tightly closed container, away from heaters and direct sunlight, at a temperature not lower than +5°C. In case of freezing products thaw at room temperature and mix thoroughly until homogeneous mass. After thawing it completely retains its properties.

Guaranteed shelf life In unopened container manufacturer 36 months from the date of manufacture.

Transportation By all means of transport in conditions excluding the influence of atmospheric factors (covered vans, wagons, etc.). Duration of transportation at temperatures below 0°C should not exceed 1 month. Product does not belong to dangerous goods. Code of emergency measures is not required.

Waste disposal Containers and unused paint residue are disposed of as household waste after drying.

Safety The paint is flame retardant and non-toxic. Wear personal protective equipment for hands. When using the product do not smoke, do not drink, do not eat. In case of contact with skin and eyes wash with water. Keep out of reach of children. Avoid contact with water and soil.
