

Technical data sheet Version 2

FASADE acrylic paint ТУ 2316-005-49630959-04

Purpose	For exterior and interior painting of brick, concrete, plastered, wooden and other surfaces (except floors), including rooms with high humidity (baths, kitchens).
Properties	Forms a matte, uniform, smooth, moisture-resistant, weather-resistant, vapor-permeable coating. Can be tinted with water and universal tinting pastes in pastel colors. Suitable for hand and machine tinting.
Composition	Water Acrylic latex Micronized marble Titanium Dioxide Targeted micro-additives
Packing	Plastic containers weighing 1.4 kg, 3 kg, 6.5 kg, 13 kg, 35 kg

Technical Specifications

Appearance	Homogeneous mass of white color
Film appearance after drying	Smooth, no visible inclusions
Bruckfield viscosity, cPs, spindle #5, V=20 rpm, 25°C	5000-6000
Grind degree, μm, not more	30
Mass fraction of non-volatile substances, %, no less	50
Film resistance to static impact of water at (20±2)°C, h, no less	24
Frost resistance, cycles	5
pH	6,5-9,5
Temperature of application, °C, not less	+8
Drying time up to degree 3 at (20±2) °C, hour, not more	1 24
Total drying time, hour	150r/m ²

Storage conditions	Store in a tightly closed container, away from heaters and direct sunlight, at a temperature not lower than +5°C. In case of freezing products thaw at room temperature and mix
---------------------------	---

thoroughly until homogeneous mass. After thawing it completely retains its properties.

Guaranteed shelf life	In unopened container manufacturer 24 months from the date of manufacture.
Transporting	By all means of transport in conditions excluding the influence of atmospheric factors (covered vans, wagons, etc.). Duration of transportation at temperatures below 0°C should not exceed 1 month. Product does not belong to dangerous goods. Code of emergency measures is not required.
Waste management	Containers and unused paint residue are disposed of as household waste after drying.
Safety	The paint is flame retardant and non-toxic. Wear personal protective equipment for hands. When using the product do not smoke, do not drink, do not eat. In case of contact with skin and eyes wash with water. Keep out of reach of children. Avoid contact with water and soil.
